Partnering with Panhellenic is beneficial

Day of The Girl's plan is for sororities across the nation to hold philanthropy events on March 8th and October 11th to raise money for Fundap.

Greek Life is Popular in the United States

Benefits of Panhellenic

There are 26 sororities with over 3000 total organizations and 5,828,206 women initiated. In 2023 the total hours volunteered were 5,203,779.

Using Panhellenic is a great way for Fundap to connect with college students, families and networks.

Common Values

Fundap and Panhellenic share similar values such as leadership development, education, diversity.

Both organizations focus on the betterment of women by connecting these two organizations it creates a global sisterhood.

Dia De La Nina Provides a Global Real-World Experience, with an emphasis on Diversity and Accessibility

Engaging a Wide Audience

The event activities are designed to engage a diverse audience which will enhance fundraising potential.

We are emphasizing Guatemalan culture as well as women empowerment.

Accessibility and Pricing

We suggest doing a "Pay what you can" entry fee as it makes the event accessible to broader demographic, potentially increasing donations.

Sororities are experienced in raising funds

Track Record

Sororities have raised over $6.68 million in scholarships for their members.

Over $28 million was raised from collegiate and alumni members towards philanthropic events.

This underscores effectiveness in mobilizing resources and rallying support for important causes.

Penn State's THON

With a collective effort between Fraternities and Sororities $15 million was raised in 2023.

Detailed Planning and Coordination Will Increase Turnout

Sorority Network

Create social media networks and online platforms to access sorority and alumni network.

Tap into expertise, experience, and connections of alumni networks.

Cultural Expertise

Connect with experts to ensure authenticity in cultural context of events.

Research and consult proper local/large scale experts to reflect the meaning of the events.

Venues / Budgeting

Ensure venues are of appropriate size and can accommodate cultural ambiance.

Establish budgets and track expenses as well as contingency management.

Plan for foreseeable risks and how to mitigate them.

Plan → Why → Timeline → Execution → Mitigating Risks

Potential Risks Can be Easily Mitigated

Lack of Donor Participation from Potential Donors

- Communicate FUNDAP's expectations
- Utilize National Panhellenic Conference's communication channels
- Emphasize female empowerment and international sisterhood

Technical Issues with Global Giving Page

- Ensure Global Giving can accommodate increased traffic
- Provide donors with assistance in the event of website troubles
- Have a backup donation collection method

Risk of Cultural Insensitivity and Lost Opportunities

- Connect with experts while planning and marketing
- Ensure organizers are informed about Guatemalan culture
- Collect and implement feedback

Conclusion

Benefits of Partnering with Panhellenic

Planning fun events for people to get participate in

Events will spread awareness of struggle in Guatemala and how to help

Accessibility to better education
